

The Arts & Humanities Council of SWLA is excited to bring back Chuck Fest to Downtown Lake Charles! Chuck Fest is *the* premier music festival of Southwest Louisiana, and aims to build on the success established last year in its return to the city, as well as the first year the festival was headed up by the AHC.

Chuck Fest 2023 is set for October 14<sup>th</sup>, 2023, from noon to midnight in Downtown Lake Charles. The mission of Chuck Fest is to celebrate Southwest Louisiana music, cuisine, art, and culture by putting locally tied musicians, artists, vendors, and businesses on the front stage for a day full of entertainment and community engagement. The Arts & Humanities Council of SWLA is a 501(c)(3) organization whose mission is to cultivate SWLA's arts and culture scene and bolster tourism through grants, events, and education. With your support, we can have a broader impact on shaping the future of our culture. Thank you for supporting Southwest Louisiana and the unique culture we produce.
